

July 28, 2016

Dear Naismith Hall Residents:

Welcome to Naismith Hall! My name is Brain Haney and I am the General Manager of Naismith Hall. I want to welcome you to Naismith Hall and also take a minute to introduce the Resident Life staff. This August you will not only attend a great University, but also live in a first class residence hall. Naismith Hall offers many unique services and facilities for its residents, and I encourage you to take advantage of them.

The Resident Life Staff has been busy preparing for your arrival. The Resident Director is Tanner Riscoe.

<u>Resident Advisor</u>	<u>Resident Advisor for the</u>	<u>Room No</u>
Camille Dickerson	2 nd Floor	216
Brett Sell	3 rd Floor	316
Sarina Shanks	4 th Floor	416
Rachel Biegun	5 th Floor	516
Kalie McAlexander	6 th Floor/Short Programs/International	616
Brendan Fowler	7 th Floor/Business Floor	716
Ben Sokol	8 th Floor	816
Kyryll Shevchenko	9 th Floor/Engineering Floor	916
Hunter Woodhart	10 th Floor	1016

These exceptional students have been trained and are eager to assist you throughout the year. To give you an idea of what to expect, I have included welcoming remarks from each of the Resident Advisors. As you will read, they are a diverse group with a multitude of backgrounds, interests and hobbies. I encourage you to get to know your RA and discuss any questions or concerns that you may have. Remember, your RA is there as a resource for you!

As the General Manager, it is my hope that your experience at Naismith Hall will be positive and rewarding. I am sure you will be receiving plenty of advice in terms of what to bring and what not to bring when you move in. There are a few items in particular that I would like to recommend. If you plan on bringing a computer, I recommend you are up-to-date on your computer's security. Finally, many people bring bikes to school and then never use them. You might want to wait to see if you will actually use your bicycle once you have been on campus since they can be difficult to transport.

MOVE-IN DAY! Naismith Hall will open for residents on Thursday, August 18, 2016 starting at 8am. We do allow residents to move in as early as **Sunday, August 14th** for an additional \$30.00 per early move in day. All early move in days must be approved by management prior to August 8, 2016 in order for management to set aside the room to have it clean and open for your early arrival date (email: info@naismithhall.com).

I look forward to meeting all of you and will do everything I can to ensure that you will have a good experience at the University of Kansas and Naismith Hall.

Best Regards,

Brian Haney
General Manager
