Dear Naismith Hall Residents:

Welcome to Naismith Hall! My name is Brian Haney and I am the General Manager of Naismith Hall. This letter is intended to introduce you to your Naismith Hall Residence Life Staff and provide you with some basic information about Naismith Hall.

This Fall you will not only attend a great University but also live in a first class residence hall. Naismith Hall offers many unique services and facilities for its residents that will help support you during your time here, and I encourage you to take advantage of them. The Residence Life Staff here at Naismith will help get you connected to Naismith Hall and the KU community. These exceptional students have gone through extensive training programs and are eager to assist you throughout the upcoming year. They have already been busy preparing for your arrival and are excited to meet you. This year our Resident Advisors are:

<b><u>Resident Advisor</u></b>	<b><u>Floor/ Community</u></b>	<b><u>Room</u></b>
Taylor Allen	4th Floor	416
Ryan Sieben	5th Floor	516
Ciara Cavitt	6th Floor	616
Brett Manahan	7th Floor/Business Floor	716
Emily Bruggeman	8th Floor	816
Zach Hardin	9th Floor/Engineering Floor	916
Alyssa Sharpe	10th Floor	1016
Kirill Shevchenko	Hall RA	529

In the coming weeks, you will receive an email from your Resident Advisor with a little more information about themselves and what you can expect as a resident of Naismith Hall and a student of the University of Kansas.

When you arrive, be sure to take the time to meet the Resident Advisor on your floor. You will come to find out that each of them can be a tremendous resource to you in the months to come. They are there for you and are more than willing to answer any questions you may have and help make your adjustment to campus and Naismith Hall much easier. I encourage you to get to know your RA and discuss any questions or concerns that you may have. Remember, your RA is there as a resource for you!

As you prepare to move-in, I am sure that you will be receiving plenty of advice in terms of what to bring and what not to bring. Here are a couple of things to keep in mind as you prepare to move-in to Naismith Hall:

- Make sure you are up-to-date on your computer's security before arriving on campus. This will make connecting to both Naismith Internet and the University of Kansas Internet much easier.
- Many people bring bikes to school and then never use them. You might want to wait to see if you will actually use your bicycle once you have been on campus since they can be difficult to transport.

### **MOVE-IN DAY!**

Naismith Hall will officially open for the 2017-2018 academic year on **August 17, 2017 starting at 8:00 a.m.** Please plan to move in at your assigned time, as this will help ensure that everyone has a smooth move-in day. Assigned move-in times are included in your room assignment email in late July.

If you are interested in moving in earlier, we allow residents to move in as early as Sunday, August 13, 2017 for an additional fee of \$30 per day. *All early move-in days must be approved by Naismith Hall management prior to August 7, 2017.* Please note that there are no assigned times for Early Arrival. For more information, including the Early Arrival Application form, please see your room assignment email or visit [www.naismithhall.com/move-in](http://www.naismithhall.com/move-in).

As the General Manager, it is my hope that you find the community at Naismith Hall both positive and rewarding, and will do everything I can to support your experience at the University of Kansas and at Naismith Hall. I look forward to meeting all of you soon.

Best Regards,

BRIAN HANEY  
General Manager
