

NAISMITH HALL

Thank you for choosing to live at Naismith Hall. This handbook contains the rules our residents are to live by. Throughout the handbook the term "Resident(s)" refers to the "Student(s)" living at Naismith Hall and these two terms are used interchangeably. It is important to realize that this handbook does not contain a complete list of rules and regulations. Our residents are living in a residential community and these rules have been designed to assist in this endeavor. Residents/students should also abide by all federal, state, local and university rules. Our rules and regulations can be amended periodically as needed through posted official notices, through our regular newsletters or on our website.

ADVERTISING

The bulletin boards on each floor are for use by Naismith Hall. If you would like to post items on the bulletin boards, you must obtain prior approval from the Manager.

ALCOHOL POLICY

Because the majority of Naismith Hall RESIDENTS are under 21 years old, it is important that all RESIDENTS understand the rules and policies of the University of Kansas and Kansas state law regarding alcoholic beverages, and how these rules and policies will be enforced by the Naismith Hall Resident Life Staff and Resident Director.

1. It is a violation of state law for a person less than 21 years of age to attempt to purchase, consume, possess, or transport alcoholic beverages. It is unlawful to sell, furnish, and give alcoholic beverages or to permit alcoholic beverages to be sold, furnished, or given to any minor.
2. Naismith Hall's Alcohol Policy states that REGARDLESS OF AGE, no alcoholic beverages of any type are permitted within Naismith Hall. Anyone found in the presence of alcohol, whether participating in illegal consumption or not, will be subject to disciplinary action. Repeat offenses will NOT be tolerated and RESIDENTS will be removed from Naismith Hall.
3. If RESIDENTS are in a room and open containers of alcohol are present in the room, regardless of guilt or innocence, appropriate action will be taken against all the RESIDENTS in the room.
4. Any party or gathering at which the rules and policies regarding alcoholic beverages have been violated shall be immediately terminated, and those RESIDENTS in attendance will be referred to the Resident Director, General Manager and/or the Lawrence Police.
5. RESIDENTS will be held responsible for activities that occur in their rooms, and will be referred to the Resident Director, General Manager, and/or the Lawrence Police if they or their guests are in violation of the alcohol policies.
6. It is the responsibility of RESIDENTS living in Naismith Hall to maintain the spirit and letter of the above policies. The Resident Life Staff will assist RESIDENTS in this regard and will deal with alleged violations when they occur.
7. It is the responsibility of the Lawrence Police to enforce the criminal laws of Kansas. In the event of involvement of the Lawrence Police, civil or criminal prosecution as well as University disciplinary action may result.

8. Failure to comply with the request to present identification to the Resident Life Staff, acting in the performance of their duties, is a violation of Naismith Hall Rules and Regulations, and will result in referral to the Resident Director, General Manager and/or the Lawrence Police.
9. Supplying false information, such as name, age, etc., to the Resident Life Staff who are acting in the performance of their duties is a violation of Naismith Hall Rules and Regulations, and will result in referral to the Resident Director, General Manager and/or the Lawrence Police.

PARENT NOTIFICATION POLICY

Naismith Hall reserves the right to notify parents of residents if the student is in violation of any federal, state, or local law, or of any rule or policy of Naismith Hall governing the use of possession of alcohol or a controlled substance if:

1. Naismith Hall determines that the student has committed a disciplinary violation with respect to that use or possession; and,
2. Specifically, when Naismith Hall has knowledge of a student's alcohol consumption or drug use under the circumstances described below.

Initial notifications may be made by telephone, but all notifications will be followed up with a written notification under these circumstances:

1. Following the first known violation of university policy, state law or the Naismith Hall Rules and Regulations regarding drugs.
2. Following the first known violation of university policy, state law or the Naismith Hall Rules and Regulations regarding alcohol, when the suspected use of alcohol has:
 - a) placed the student in a life-threatening situation as determined by an attending medical professional or as reasonably determined by the Property Manager.
 - b) caused the student to be in a physical or mental state that has prompted intervention by Naismith Hall personnel, police, or medical personnel out of concern for the student's wellbeing or to address the student's conduct.
 - c) endangered the health or welfare of another person, including any report by police of arrest for driving on campus while under the influence of alcohol.
3. Following the second known violation of Naismith Hall policy or state law regarding alcohol.
4. Following a violation of Naismith Hall policy or state law regarding alcohol or other drugs that results in the cancellation of the student's Room & Board contract.

BICYCLES AND SKATES

Naismith Hall provides bicycle racks behind the building for RESIDENTS and guests. We recommend that you keep your bike locked when it is not in use in legal designated areas, as Naismith Hall is not responsible for lost or stolen bicycles. Bicycles locked to fences, stair railings, sign posts, or any other area on Naismith Hall property will promptly be removed and confiscated. Motorcycles must be parked in the Naismith Hall parking lot. **The use of skates and skate boards are prohibited inside Naismith Hall.**

All Meals are served in the Rock Chalk Café located on the first floor. There are a variety of choices at every meal, including two/three main entrees, side dishes, soups/salad, and deserts. Meals are available every day during the Academic Year on those days when classes are in session. Meals are not provided on days the University is closed or during registration periods prior to each semester.

1. Board Plans

The food service program offered at Naismith Hall consists of two popular board plans from which RESIDENTS can choose.

A. All Meals Served: This Plan allows a RESIDENT to enter the dining room one time at each meal offered every day the food service is in operation during the academic year.

B. Any Two Meals per Day: This Plan allows a RESIDENT to enter the dining room twice a day (i.e., for breakfast and lunch, lunch and dinner, or breakfast and dinner) every day during the Academic Year the food service is in operation.

If you find that your meal plan isn't providing enough meals, you can upgrade to a larger meal plan at any time. However, meal plan downgrades are NOT permitted after the start of the semester.

RESIDENTS can change their board plans up to the first day of classes for each semester. RESIDENTS must

submit the change request in writing to the Naismith Hall Business Office before the semester begins.

Access cards need only be passed in the proximity of the card reader to be read; just get the card close to the card reader to activate it. These IDs are intended to provide security for you and your fellow RESIDENTS. Please do not let others use your ID card. Should you lose or misplace your card, replacement cards cost \$25.

When you move into Naismith Hall, there will be a Room Condition Checklist in your room that you should complete as soon as all roommates have moved in. The Naismith Hall Maintenance Staff will have conducted a room inspection to determine whether there are damages to the room before you and/or your roommate(s) arrive. University organizations, within the limitations established by this policy and other University regulations, and with the General Manager's approval, may be permitted to sell materials to support the purposes of their organization.

DAMAGE TO NAISMITH HALL

Liability Policy: RESIDENTS are responsible for the condition of their room and furnishings and for any damages or losses that may occur during their occupancy. If a RESIDENT is identified as being responsible for damage, theft, or losses in common areas of the building (including but not limited to corridors, elevators, stairwells, recreation rooms, dining room, study rooms, bathrooms, laundry rooms, work rooms, and lounges), they will be billed for the

cost of repair or replacement. Amounts billed are additional charges under the Naismith Hall Room and Board Agreement.

All RESIDENTS will be held collectively responsible for damages, theft, or losses in common areas of the building that may occur during occupancy when the individual(s) responsible cannot be identified. The dates for assessment of damages, theft, or loss, and occupancy shall be inclusive from the date of check-in to the date RESIDENTS properly check out of the room.

RESIDENTS are not permitted to make damage repairs or arrange for them to be made by outside contractors. In an emergency, the Maintenance Staff, Resident Director and General Manager should be contacted. They can be reached via the main desk at Naismith Hall by calling 785-843-8559.

RESIDENTS are equally responsible for the conditions of their rooms and the common areas. **Any RESIDENT causing damage will be billed for repairs and subject to disciplinary action.**

DECORATIONS/DISPLAYS FOR ROOMS

Naismith Hall is your home away from home, and we want you to feel comfortable. You are free to bring plants and to place posters on the walls. We do ask that you refrain from using contact paper and painting on the walls, ceilings, furniture, etc., or using finishing nails or push pins in the doors.

It is not permitted to hang anything on the sprinkler system pipes, etc. Darts and dartboards are not permitted. The use of sticky tack, tape, adhesives, putty, glue, paste, staples, screws, etc. on walls, furniture, doors or other woodwork or glass are not permitted. RESIDENTS may use straight pins to hang posters. No painting or papering of rooms or furniture is permitted. Naismith Hall Management reserves the right to remove any decoration/display deemed inappropriate within plain sight of public view.

RESIDENTS may decorate the surface of their room door facing the corridor, provided that it is done according to the guidelines that follow. Adhering to these guidelines will prevent doors from unusually harsh wear, eliminate potential fire hazards, and assure free movement/access in the corridor.

1. Decorations may be placed on the door facing the corridor using "sticky tack".
2. No decals or stickers are permitted.
3. All memo boards, pictures, signs, and posters must be unframed.
4. Non-flammable materials should be used.
5. All room/door decorations must be removed prior to the RESIDENT being checked out of his/her room.

Damages to the doors as well as any extra cleaning required will be the responsibility of the RESIDENTS and may result in a charge to the RESIDENT'S account. Naismith Hall Maintenance Staff will determine the nature and extent of all damages to be charged to RESIDENTS' accounts.

ELECTRICAL APPLIANCES

The following electrical appliances are authorized for use in your room as long as the Underwriter's Laboratories, Inc., (UL) label is on the appliance: televisions, stereo component systems, clocks, fans, irons, personal computers and electronic games. The only cooking permitted in your room at Naismith Hall is that which can be done using the Micro Fridge.

The following appliances are specifically prohibited: hotplates, toasters, torchere style (floor standing) halogen lamps and lights, immersion heaters, space heaters, heating coils, ovens, indoor and outdoor grills, George Foreman Grills, and non-residence hall sized personal refrigerators.

If unapproved appliances are observed in a room, RESIDENTS will be asked to remove them from the building. In case of delayed compliance, Naismith Hall reserves the right to have the items removed and discarded without notice.

If the use of multiple outlets is needed, a grounded 15 amp surge-protected plug-in strip with built-in circuit breaker should be used.

Extension cords and multiple outlets are designed for minimum use for short periods of time. Multi-plug outlets and improper use of extension cords create fire and safety hazards. Therefore, the following information should be considered when using this equipment:

- ⇒ Too many appliances on one extension cord can cause the cord to overheat and result in a fire. (Note: two or more cords plugged together are theoretically still only one cord.)
- ⇒ Extension cords placed in or through doorways that have metal doors or door frames, as well as cords draped over metal objects, or put in areas where they may be walked on, create the added risk or shock or electrocution.
- ⇒ The outlets in each room were designed for either one or two appliances. **The use of multi-plug covers to increase the number of appliances on one outlet is prohibited due to fire and safety hazards, as well as circuit overloads.**

This is not an exclusive list of problems that can be caused by improper use of cords and outlets. Please contact the front desk if you have any questions.

FOOD SERVICE (See BOARD)

FURNITURE AND FURNISHINGS

Naismith Hall provides RESIDENTS with a regular twin size bed, mattress, desk and desk chair, dresser and window treatments for their room. Do not remove furniture or furnishings from your room. **The furniture present at move-in must be present at checkout.**

Maintenance staff will not move or store furniture for the semester. If you'd like to have your own furniture in your room, you must store Naismith's furniture yourself at a third-party storage center. You will be held responsible for charges for missing or damaged furniture at move out. (The one exception to this rule is if you are live in a single room, maintenance will remove and store one set of furniture.)

GUESTS OF NAISMITH HALL RESIDENTS

Naismith Hall is your home, and you are welcome to have an occasional overnight guest. Keep in mind though that your roommate will appreciate knowing in advance, since they live there too. Additionally, please note that **you are responsible for the behavior of your guests.** This means informing guests of the following policies of Naismith Hall, and soliciting their cooperation while visiting.

1. Naismith Hall is intended for use by RESIDENTS of the building and their guests. A guest is defined as a person visiting a RESIDENT of Naismith Hall at the RESIDENT'S invitation. Delivery persons are not considered to be guests for purposes of this policy.
2. In order to ease congestion of the move-in period and to allow roommates the opportunity to get to know each other and get settled in, no overnight guests will be allowed in Naismith Hall during the first week of classes.
3. The following policy stipulations relate to all guests:
 - (a) It is the responsibility of the host RESIDENT to ensure that he/she is aware of Naismith Hall Guest policies. Guests are held responsible for their own actions and for knowledge of regulations; however, the RESIDENT is also responsible for the actions of their guests and held accountable for any damages committed by his/her guest.
 - (b) RESIDENTS are permitted to have guests in their rooms ONLY if there is no objection from their roommate(s), for a maximum of three (3) consecutive nights, and no more than four (4) nights total in a month. All guests are required to register at the Front Desk in the lobby and present positive identification. Naismith Hall reserves the right to revoke these guest privileges for any guests that fails to register at the Front Desk. Guests may not move from one host's room to another in order to extend their stay in Naismith Hall beyond the three night maximum. **A RESIDENT that houses**

a guest for longer than the specified limits may be subject to fines or disciplinary action.

- (c) Room keys or access cards will not be provided for guests. Residents are not to give their keys or Naismith ID to guests; only RESIDENTS of Naismith Hall are authorized to use their keys and ID to access to their room, gain entrance to the building or dining room, and/or use any of the facilities and services available in Naismith Hall.
- (d) Only RESIDENTS and their invited guests are permitted in the living areas of the building. These areas of the building include, but are not limited to: locations other than the lobby, computer lab, study lounge, workout facility, individual rooms, floor lounges, and the swimming pool area. Individuals found in the building who are not RESIDENTS or guests of RESIDENTS are considered to be trespassing.
- (e) After daily business hours, all guests must be escorted by a RESIDENT of the building at all times. A staff member may confront individuals not recognized as a RESIDENT of Naismith Hall and/or not escorted by a RESIDENT of Naismith Hall, and ask these individuals to leave the building.

Naismith Hall reserves the right to review, modify, and for cause, suspend a RESIDENT'S guest privileges at any time.

HOUSEKEEPING SERVICES

Naismith Hall Housekeeping Staff will clean the public areas on your floor and your room and bathroom regularly. Housekeepers do not pick up or move RESIDENTS' personal items while cleaning; therefore, RESIDENTS are expected to maintain their room in an orderly and sanitary condition.

Day-to-day housekeeping is each RESIDENT'S responsibility. Depending upon how Housekeeping Staff and others are affected by the persistence of disorderly and unsanitary conditions in your room, Naismith Hall reserves the right to cancel your housekeeping service for your room.

Large trashcans are located on every floor near the elevators. Please bring all room trash to these trashcans and use the trashcans for appropriate disposal. **It is your responsibility to take trash to the trashcans. Do not leave trash outside your door or in the stairwells. At move-out, please take your trash, especially large items, to the dumpsters provided on the east side of the building. RESIDENTS may be fined for leaving trash around the Hall, or failing to dispose of trash in the appropriate manner.**

MUSICAL INSTRUMENTS

You are permitted to play musical instruments in your room as long as it does not disturb other RESIDENTS.

PARKING

Limited parking is available to be leased by our RESIDENTS. All automobile parking spaces in the Naismith Hall lot are reserved 24 hours a day. Illegally and improperly parked cars will be towed away at the car owner's expense without any notice. Do not make the mistake of parking in a space for just a few minute; illegally parked cars will be towed as soon as they are discovered.

PETS

For sanitation and safety purposes, mammals, reptiles and/or laboratory specimens may not be kept in Naismith Hall for any period of time.

Fish and their aquariums (under 20 gallons) are the only pets Naismith Hall allows, with the exception of sight and hearing guide dogs. Birds and other pets must stay at home.

PLAY AREAS

There are designated areas on campus for baseball, football, soccer, golf, tennis, volleyball, basketball, catch, etc. For the safety of others please do not use the sidewalks, alleyways, or walkways at Naismith Hall for these activities.

"QUIET HOURS" POLICY

In order to support the academic mission of our RESIDENTS, Naismith Hall has a strict policy regarding noise and quiet hours. It is important that RESIDENTS understand that Naismith Hall must be a place conducive to studying and sleeping. The RA on each floor will hold a floor meeting at the beginning of the Academic Year at which time the RESIDENTS vote on the designated times for studying. These times are called "quiet hours." During quiet hours, no noise in any room should be audible outside the room. Quiet hours are to be enforced by the RESIDENTS with assistance from Resident Life Staff members in problem situations. Please be considerate of others and comply with any request to be quiet. Not following the "Quiet Hours" policy can result in disciplinary action.

Quiet hours must be observed from 11 p.m. to 7 a.m., Sunday through Thursday, and 1 a.m. to 9 a.m., Friday and Saturday. Additional quiet hours may be established by your floor. There is a 24-hour consideration policy. Noise should be kept at a level that does not infringe on other residents. Residents should respect each other's expectations. If a resident is loud and unresponsive to your request, contact a staff member. A general guideline: If noise can be heard outside your room, it is probably too loud. During final examinations, a 24-hour quiet hour policy is in effect. Violators may be asked to vacate the space immediately.

During the week of finals, NO GUESTS will be allowed to stay overnight.

REPAIRS AND MAINTENANCE

If you have an emergency repair, contact the front desk immediately. If you have maintenance needs, problems, or

questions regarding your room, please fill out a Maintenance Request at the Resident Portal of our website. One request should be completed for each maintenance item. Please include your name/room number on the Maintenance Request.

If you have requested repair to an item in your room, you can expect this repair to be completed between the hours of 9:00 AM and 4:00 PM, Monday through Friday. Maintenance personnel may enter your room to perform preventative maintenance, needed repairs identified during a room inspection, or an emergency repair. RESIDENTS do not need to be present for Maintenance repairs.

ROOM CHANGES

All room changes must be approved by the General Manager before the RESIDENT changes rooms. Such approval must be in the form of a Room & Board Agreement Amendment. It is the RESIDENT'S responsibility to go to the Business Office and sign a Room & Board Agreement Amendment to change the RESIDENT'S room accommodations.

1. Emergency Room Change

An emergency room change will be arranged as possible only when all other options to resolve differences between roommates have been thoroughly explored. You must discuss your need for a change in room with your RA and possibly the Resident Director. If our staff member determines that an emergency exists, the Business Office will be contacted to see if there is space available. Naismith Hall specifically reserves the right to change a RESIDENT'S room assignment if such change appears to be necessary or appropriate for the welfare, comfort or convenience of the other RESIDENTS of Naismith Hall.

2. Room Change for Spring Semester

If you are interested in changing your room assignment for the spring semester, you may check with the Business Office to see if there will be any spaces available for spring semester during the last week of November and the first week of December.

3. Roommate(s) Consolidations

Naismith Hall specifically reserves the right to consolidate RESIDENTS with a vacancy in their room with another RESIDENT room with a vacancy. You may request that the vacancy in your room not be filled/ consolidated, however, rooms that house fewer RESIDENTS than the number for which they are designated will cost each remaining RESIDENT an additional fee equivalent to a proportionate share of the room amount due for the unoccupied space.

ROOM INSPECTIONS

A room inspection is not a room search. RESIDENTS' rooms are inspected throughout the semester and semester breaks,

as well as at the time of check-out. These inspections are conducted by your RA, maintenance staff, and other Naismith Hall staff to: 1) evaluate the condition of the room and furnishings; 2) identify needed maintenance and repairs; and 3) check for fire and safety hazards. If damages are noted, you will be charged for the cost of repairs or replacement. Should Naismith Hall's inspector observe the presence of unauthorized appliances or items in the room, or notice objects attached to the facilities in an unapproved manner, these issues will be reported to the Resident Director. As soon as your RA brings these issues to your attention, you are expected to correct the improper situation immediately. If you do not comply by correcting the situation, Naismith Hall reserves the right to have the items removed and discarded. Naismith Hall will not be responsible for discarded items.

ROOM SEARCHES
